

Step Up Bisbee/Naco is dedicated to keeping low-income, elderly, and/or disabled homeowners living in our community in warmth, safety, independence, dignity, and decency through volunteer home repair and rehabilitation services.

About Us

Step Up Bisbee/Naco started in 1998 (as Rebuilding Together) when a group of people saw that many of their neighbors needed help with the upkeep on their homes.

Project Day

Following the old barn-raising idea, our 100% volunteer group comes together one amazing day each year (Project Day) to help supply hot water, electricity, and indoor plumbing—and also provides major cleanup, painting, and repair work—to several homes, as well as one public project each year. Public projects have included Verhelst House, Bisbee Y's Thrift Store, and Renaissance House.

Many local qualifying residents have no place to turn to when the roof begins to leak or the plumbing doesn't work. Our goal is to ensure that we help as many of these families as we can.

Your Support

Through the generous support of individuals and local corporations, Step Up Bisbee/Naco makes a difference each year in the lives of the elderly, the disabled, and low-income families. All of the supplies for completing the projects in the houses are purchased strictly from grants, our annual fundraising event, and your donations.

At StepUpBisbeeNaco.org you'll find more about Project Day, our annual Fundraising Event, and about how you can help.
